Hi,

I was doing some work on the new Facebook page tonight (Facebook is archiving our old group in the new few months, so we've had to make a new "fan" page) and came across this recent post on Twitter:

Undesirable Andy

The air is so clear in [#slc](#) I can see **Susan Powell's** body in the mountains on the opposite side of the valley.

Link to the author's profile, "Undesirable":

I found this by doing a Twitter search for "susan powell." I thought this was most likely just someone running his mouth off, but figured I'd better send it to you anyway. If it's just a joke it's in pretty poor taste.

I hope the investigation is progressing. I am sure I don't need to tell you how desperately we need answers. Thank you for all you continue to do.

Kiirsi

Thank you! I was hoping it was received. It's probably just some jerk trying to get attention, but it seemed worth sending in. I wish I could ask how things are going but I'm sure you won't tell me. We continue to hope and pray for answers and for things to go well for you.

Kiirsi
