I tried sending this to you while I spoke with you on the phone; however, my phone couldn't connect and send email at the same time. Hopefully this time you'll get it.

After this, I won't be able to check email so I have included my phone numbers below.

I called to confirm that the truck rental has to be returned Thursday morning. Therefore the truck needs to be empty by Wednesday night. The truck is the largest Uhaul truck available (26' long) and possibly a trailer (8' x 12'). The storage facility closes at 9:00pm so I hope this leaves enough time to unload. Please let me know if you think there is a problem.

Here is my request:

Date: Wednesday, January 13 2009
Time: 6:00pm

Turn right when entering the facility and go to the second to last aisle. I'll be there with the Uhaul truck probably throughout the day and evening.

This link is to a map route. I tried to route it down the back of the south hill, but it defaults to take the freeways. I also included turn by turn directions below.
