CHAIN OF CUSTODY STATEMENT Re: Chain of Custody

The item(s) submitted under the police agency case numbers referenced in this report were in a sealed condition at the time any examination, testing, or analysis was commenced by the undersigned, and that said examination or handling, if any, of the actual items within any such sealed containers was accomplished in a manner to preserve the integrity of the item to assure that any chance of misidentification, or environmental cross-contamination would be avoided by adherence to standardized procedures within the Utah State Crime Laboratory appropriate to any processes applicable to the examination, analysis, or testing of said items. Any deviation from said procedures, and reasons therefore is noted below. The breaking of any seal or part of the container in which the item was submitted, has been followed by a reinsertion of the item into its original container, followed by any examination, testing or analysis and resealing of that container with the undersigned's initials placed over such new seal.
