Something that my mom had suggested was to find out when Susan came with me to a certain [REDACTED] event that required me to pick her up at work since she and Josh had miscommunicated about her ride situation. At that time he had decided to just up and go with the boys camping but ended up returning in the middle of the night (3 or 4AM) since it was too cold. My mom said maybe at that time he was trying to scout a location and maybe there would be some sort of phone record if he used his cell phone while going or coming from there. I'm thinking it was spring of 09 because she signed up to [REDACTED]
