

West Valley City Police Witness Statement

Name: [REDACTED] DOB: [REDACTED] Date: 09Feb10 Case# 09i054602
Address: [REDACTED]
Contact Numbers: [REDACTED]

Unfortunately I didn't get to know them at all. I was in a play [REDACTED] that was put on by our [REDACTED] in April 2009. She attended a performance with her kids and I was introduced to her by [REDACTED] (a mutual friend also in the play). I don't remember what we talked about but she sent a friend request the next day which I accepted (it may have been a friend suggestion by [REDACTED], I'm not positive). I haven't seen her since then and I have never met Josh. After her disappearance I was surprised when my wife pointed out to me that she was in my friends list. In fact, once my wife pointed it out I had to take the next hour and trace back to the Facebook friend request in April to try and jog my memory on how I knew her. Sorry I can't help you more.
