

West Valley City Police Witness Statement

Name: [REDACTED] DOB: [REDACTED] Date: 08Feb10
Address: [REDACTED]
Contact Numbers: [REDACTED]

**My Name is [REDACTED]. I was born on [REDACTED]. I'm [REDACTED]
[REDACTED]'s youngest daughter, and you can contact me through her. I know
Susan and Josh because my mom did daycare for them. A lot of the things I saw,
my mom has told you. I got a little nervous of Josh from the start. I never
understood what Josh thought was right, or what he thought was best for his
kids. Susan is a wonderful, practical woman who thinks things through. There
was this one time I was watching [REDACTED] with my mom and it was after [REDACTED]
[REDACTED] was found. This special talked about how [REDACTED] neighbors
thought he was normal. It then showed signs of how to tell someone was a
psycho path, or something like that. When all the signs were shown, I looked up
at my mom and said that Josh has all of those signs. She just looked at me and
told me that she knew. We didn't say or do anything after that. Well, that is the
only new information that I am pretty sure that you don't already know. I'm
worried about the kids because of how Susan would talk about her father in law.
In basic terms, she basically said that he was the devil.. Well, thanks for your
time.**
