I didn't know Susan. I was friends with her older sister [REDACTED] in high school at [REDACTED] High School in [REDACTED]
[REDACTED]

I met Josh while going to school at the [REDACTED] I think it would have been back in [REDACTED] I don't remember if he was going to school there too, but he was sharing an apartment with two other boys [REDACTED] was a short, blond haired boy that had tons of zits and the other one was a big teddy bear type. I saw them most often at institute events or at the singles ward [REDACTED] [REDACTED] Josh was an interesting fellow. Cute enough, but I just had bad vibes from him! He talked about his different jobs, like working for a funeral home downtown [REDACTED]. He didn't stay in the ward for long after that. The three [REDACTED] went their different ways and I hadn't heard his name until the breaking of the case.

I really hope you get some helpful information with all of these emails.

That is really all I know.
