Name: [REDACTED] DOB: [REDACTED] Date: 24Feb10

Case# 09i054602

Address: [REDACTED] [REDACTED]

Contact Numbers: [REDACTED]

I know Susan Powell from being in the same [REDACTED] a few years ago. I haven't spoken with Susan or Josh for quite some time, probably about a year or more ago. I live at home with my parents, in Powell's neighborhood, but I no longer attend the same ward. I am in a singles ward now. I don't know much about them personally, except Susan was pretty protective of her boys. I never really knew Josh very well or spoke with him more than a handful of times. Everything else I know about them is secondhand perspectives from my family members and others around the neighborhood. I hope this helps in your search for her. If you need any additional information or clarification, please let me know. Thank you.
