During that time I visited their home on several occasions and even helped Josh sheetrock most of their basement. Josh liked to talk a lot, and it was always a trick to end a conversation with him. The Powell's were really pleasant to visit and would often send me home with some of their home made salsa.

It never would have occurred to me that there may have been something wrong in their marriage. When I knew them they both seemed to get along together and loved to show off their cute son [REDACTED]

I don't know how much help I can really be to your investigation, but I wish you the best and please let me know if I can be of any help.
