

West Valley City Police Witness Statement

Name: [REDACTED] DOB: [REDACTED] Date: 19Feb10 Case# 09i054602
Address: [REDACTED]
Contact Numbers: ([REDACTED])

I knew Susan while growing up [REDACTED]. We attended the same church, belonged to the same youth group and attended the same schools. She was younger than me and I was closer to her [REDACTED], as we were in the same grade. I moved away [REDACTED] in 1997 and cannot recall interacting with Susan since then. It's likely we saw each other over Christmas breaks and summer vacations while visiting our parents, but I can't think of any specific instances.

As a youth, Susan [REDACTED] and I would attend a girl's summer camp put on by our church. She seemed like a happy, well adjusted girl. I don't remember her getting in to trouble or causing problems. She was out going and funny. If memory serves, she sung in the school choir.

I have never met Josh nor seen Susan and him together. I do have a friend who knew him from high school. She has told me he was odd then. I will send her your email address and forward along your email.

Good luck! We are praying for you as you investigate Susan's case and hoping she will come home soon.

Sincerely,
[REDACTED]
