How I know Susan and Josh Powell.

I first meet Susan and Josh Powell when my wife [REDACTED] in 2002. They were newly married, we went for a drive around [REDACTED] While in the car Josh would not stop talking about cars, I thought he was strange when I first meet him. Susan on the other hand never gave me a weird feeling. After first meeting them I mostly only had contact with Susan through my wife. Josh and Susan lived in [REDACTED] Susan would call [REDACTED] and talk on the phone. I would make fun of her because she talked on the phone for hours at a time catching up on life. Then they moved to [REDACTED] visited them [REDACTED]

When we lived [REDACTED] end of 2006, 2007, and 2008, Josh and Susan would visit their family, Josh would go to his Dad's house and Susan would visit [REDACTED] have an e-mail account and Susan would send [REDACTED] messages through Facebook [REDACTED]. Some of the e-mails Susan wrote especially last year talked of how she wanted to get a divorce because he was not the person she married. That they were seeing a councilor and things would be good and then Josh would blow-up and Susan would lose her temper. The last time I visited with Susan in person was at [REDACTED] wedding. I mostly would keep in contact with Susan through Facebook [REDACTED]

We have e-mails from Susan discussing her counseling from 2008 if you would like them.
