

Incident Report

August 19, 2010

Time of Incident: approximately 2:45pm

Witnesses:

While our team was playing in the sandbox on the field at the [REDACTED] [REDACTED] to tell us a story about how to kill a bear. [REDACTED] explained that the best way to kill a bear was to dig a big hole and put the bear into it. Then throw rocks on it, cover it with a tree so no one can see it. Then he said that you have to plant a raspberry bush over it and 'that's how you kill it.' He also told us that those are the best raspberries because of the bear underneath.

When we asked him how he knew this, [REDACTED] told us it was 'because I saw someone do it.' When I insisted on knowing when he saw someone do that, he hesitated and said, 'Ummmmm...on t.v.'
