Name: [REDACTED] DOB: [REDACTED] Date: 18Feb10 Case# 09i054602
Address: [REDACTED]
Contact Numbers: [REDACTED]

I knew both Josh and Susan when I lived [REDACTED]. I knew them before they got married. I was friends with Josh. We got together probably at least once a week for church activities, etc. Sometimes a group of us would go to his house to watch movies. He was a little odd but I never saw anything bad. I have known both of them for a little over ten years. I stayed with them just for a few days when they lived [REDACTED]. He seemed pretty demanding, expecting things out of me when I didn't have time or even know what he wanted. At least that's how I felt. I don't remember him treating Susan bad but I wasn't around all the time and it has been a long time since I was there. I haven't talked to either one personally for several years. I know this probably isn't much help. Please keep me updated if you can. Thanks. If I remember anything else I will let you know.
