10-15 minutes walking around the van, going in and out of the house, and opening all the different doors of the van. I did not see him do anything specific or move anything or carry anything in or out. <sup>He backed the van</sup> all the way into <sup>the garage, then shut the</sup> the garage <sup>door.</sup>

Tuesday at 8:00 am I saw Josh again with the garage door open. This time the van was pulled out into the driveway (while it was snowing).

He was walking around the van opening all the doors even leaving some of the doors open for a while. He was going in and out of the house and wandering around the garage, but again I couldn't see him moving or carrying anything.
