Contact Numbers: n/a on a lds mission currently

I really do not know much about the couple except that they lived in my neighborhood and attended the same church. Josh and Susan were nice people. They were a little wierd to me but nothing to different. the last time I saw them was over 16 months ago. I have been in New York for that length of time on a mission for my church. I assume I have her on my facebook page because they were adding people they new. I being one of them. If I went on to her page than I have no recollection of doing so. I was probably just surfing facebook.

Sorry I am not much help. Good luck with your investigation and hopefully you will get to the bottom of this as soon as possible! Anything else you need?
