[REDACTED] and have known the Cox family since they moved [REDACTED] about 20 years. [REDACTED] [REDACTED] over at her house quite a bit. Susan was the little sister, so she would be around most of the time, but I didn't do a whole lot specifically with her. I do have a feel for her personality though. She was very spunky, funny, determined and caring then and although I haven't really had much contact with Susan since [REDACTED] we are Facebook friends and those same qualities came through on her Facebook page. I also know that she cares so much for her children and am positive that she would never leave them on purpose.

Although Josh [REDACTED] I cannot remember him or place him [REDACTED] What I do know of him came from friends who went to the single's ward with him. Also, things [REDACTED] told me over the years [REDACTED] and what was going on with them. J [REDACTED] she was privy to things that not everyone knew. [REDACTED] did tell me some things about the way that Josh treated Susan. However, that is not firsthand information on my part or on her part and most of it came out in the press conference the other day. I will give you my basic opinion of Josh even before all of this happened--I always felt like he was kind of a creep who did not treat Susan how she should be treated.

Like I said, I don't think that any of this will be anything new, but if you need any more info, I will be happy to provide it. [REDACTED] will do anything I can to help.

Thanks,

[REDACTED]
