I know Suzan Powell when she moved into our ward. I have never talked with her or Josh and the only time I have been in the house once to help move a treadmill. I was her friend on Facebook because she invited me and I knew her so I accepted.

An incident that is interesting happened a year or so ago. [REDACTED] came to the Powell's home. When we knocked, Josh slipped out and said he did not want to participate and slipped back in. We made it half way through the circle and Susan came out and said to come back because she wanted to donate.
