Name: [REDACTED] DOB: [REDACTED] Date: 19Mar10 Case# 09i054602  
Address: [REDACTED]  
Contact Numbers: [REDACTED]

I did not know anything about Susan and Josh's relationship other than what I heard from other people [REDACTED] that were closer to her. Sorry I'm not able to give you more information.

[REDACTED]  
[REDACTED]  
[REDACTED] if you'd like to contact him that way. She was [REDACTED]  
[REDACTED] so right as she moved into the ward. She never told me anything about her and Josh's relationship. I only know what I witnesses/assumed from how she acted (unhappy and sometimes scared of Josh). She never flat out told me she was unhappy or scared of him, I just assumed based on how she never spoke of him and how he was never around and when he was around how he seemed to have control of her and she just did as he said. But like I said, I don't know any of that as a FACT, just assumption.  
Let me know what else I can help you with. Thanks.
