Hi Detective Maxwell,

I'm sure you already know all this, with your resources, but I didn't and found it very interesting when some friends sent it to me this morning.

I hope things are going well in the search for Susan...I hope the press conference and Dr. Phil exposure helped!!

HI Kiirsi,

You all did such a wonderful job for Susan the past few days, I'm still trying to get to see some of Dr Phil.
I'm holding my breath now for answers-

Just wanted to double check you knew this- I'm sure you do
