

Union Football Character

Gentlemen we are not pleased with how our football brothers are representing **our** family, school, community, alumni, family, and yourselves. It is a **privilege** to play this wonderful game! We must earn the **opportunity**, to have the **honor** to put on our high schools jersey each Thursday and Friday night! The lack of character we are showing off the field is outshining what we are achieving on the field. We want student-athletes that are **humble** to learn and grow through adversity and success on and off the field. We want a team that others want to associate themselves with and support, winning isn't the most important criteria for that to happen. Humbleness, Thankfulness, Humility, Respect, Courage, and Honor are much more important than winning ballgames! We can achieve both if we start to act with others feelings in mind and focus on how we can make someone else's day instead of just wrapped up in ourselves. **WHEN WE ARE WORKING ON THIS AND ACHIEVEING THIS WE WILL BE MOLDING OUR CHARACTER IN A POSITIVE WAY!** Right now we are way off as a collective group. We want change and are going to make changes now.

As of tonight we are no longer playing Football until we meet certain criteria!

TURN YOUR JERSEYS IN NOW!

Saturday: 7:00 am electing captains "Attitude Reflects Leadership"—Remember the Titans

Monday: 3:30 we will be doing a service project during practice time, come prepared to work, then we are all required to attend the Cougar Legend Banquet. Find ways to serve during this event.
