## UTAH CO-COACHES

After 34 years as Utah's head coach, **Greg Marsden** now shares the title with wife and longtime assistant coach **Megan Marsden**. Greg, 928-162-6 in his 35th season at Utah, is the only 900-win coach in gymnastics history. Megan, 6-2 in her first year as co-head coach, is in her 26th year overall. She served as an assistant coach from 1985-96 and the associate head coach from 1997-2009.

## GREG MARSDEN SAYS

"A rash of minor injuries has given some new people an opportunity to contribute. It has been exciting to see Jacq Johnson and Meg Whitney step forward with good performances. Since we don't expect anyone to be out long term, this has the potential to make us a stronger and much deeper team in the long run. It seems every week brings new challenges and this week is no exception. Nebraska is a very good team that typically makes the championships and often the Super Six. This is our "Power of Pink" cancer awareness meet. This promotion is especially meaningful to me since my grandmother passed away from breast cancer. I hope everyone will help us draw attention to this cause by giving up their red for one night to wear pink."
